

## **Absolutely Fabulous Event** HOSTED BY MOSAIC

Another fun and energetic event for the community, the "Absolutely Fabulous Event" was hosted by Mosaic Home Care Services & Community Resource Centre last month at the Bayview Golf and Country Club. Proceeds from the event went to the Canadian Hadassah-WIZO Toronto Centre which fund a multitude of programs and projects for women, children and healthcare. Attendees enjoyed some music, food and fashion. Guest speakers included author Nathalie Prezeau (featured on the Globe and Mail's 2013 bestsellers list) who gave a wonderfully illustrated talk on the many wonderful walks in Toronto, and signed copies of her book. Marilyn Weston, "The Wardrobe Doctor", was also there to provide a dazzling fashion segment on how fashion accessories can empower your wardrobe and transform your appearance. This was the third annual charity event that Mosaic has hosted with last year's proceeds going to Amica's Helping Hands charity.
